## 2019 Blending Conference in Bratislava, Slovakia

On the 28th and 29th of September 2019 a blending conference was held in Bratislava, Slovakia. In the conference there were approximately 160 saints from 13 countries and 33 localities. Besides the saints from Slovakia, Czech Republic, Hungary, Croatia, Serbia, and Austria, there were saints from Poland, Ukraine, Germany, Lithuania, Romania, Russia, and the UK.

The main subject of the conference was: Living in The Reality of the Body of Christ by Keeping the Principles of the Body.

*„Do not forget that whatever you do in your locality or universally for other countries should be done in a full realization that you are building up the Body of Christ. You may have a real burden to take care of the church in your locality, yet you should always realize that you are not doing a work just for the building up of the work. When you are working to take care of the church, always keep a view of the Body. You should say, “Lord, what I am doing here is not for this but for Your Body. I am under Your sovereign assignment, or arrangement, to work in this locality. It seems that I am doing a work to build up the local church here. But, Lord, actually I am not doing things to just build up the local church here in my locality. What I am doing, Lord, is altogether for the building up of Your Body.” (The Practical Way to Live a Life according to the High Peak of the Divine Revelation in the Holy Scriptures, Chapter 6)*

Prior to the conference a brother's meeting was held. The first hour of the brother's meeting was dedicated to practical prophesying, speaking for the Lord, on the subjects of The Supply of the Body, the Members of the Body, the Limitation of the Body, and Living Christ for the Reality of the Body of Christ. The meeting continued with further fellowship among the brothers especially related to the subjects of vitality, the clustering of the churches, and prophesying. These three matters are being greatly realized in the many localities of this geographic region.

*„We have to encourage all the saints, no matter what their situation, to open their homes for the gospel. We even have to motivate the saints who are weak and the saints who have not been meeting for a long time to open their homes...This will not only recover those saints who have not been meeting for a long time but will also cause their unsaved family members, friends, neighbors, classmates, and colleagues to be saved through hearing and believing the gospel...This is the best way to preach the gospel. I hope that from now on, every saint would open his home for the preaching of the gospel, and every saint's home would be a gospel station for the preaching of the gospel once a week or at least once every two weeks.” (Truth, Life, the Church, and the Gospel—The Four Great Pillars in the Lord's Recovery, Chapter 10)*

*„The clustering and the moving together of neighboring churches should be as much as possible, without the abolishing of the local administrations in business affairs. Our blending together should not be in name only; we must take some action...We must have a revolutionized mentality, and we have to reconsider our way.” (One Body and One Spirit, Chapter 1)*

We pray that the Lord will bring all of us into the practical living of the Body of Christ in keeping all the principles of the Body. We also pray that the Lord will bring all the churches in this geographic region into the matters of vitality, prophesying, and clustering for the practical expression of the Body in Europe and on the earth.
