

Burdens related to Europe (week of 11 July 2010)

1) The German Recovery Version

The typesetting and proofreading of the German New Testament Recovery Version has begun in London and will continue for approximately one month. Please pray that:

- The saints who are serving will enjoy the Lord's abounding grace so that they can complete the many typesetting and proofreading tasks with no delays in the schedule.
- The printing will be accomplished without difficulties so that the Bibles will be available in December 2010
- The distribution of the Germany New Testament will reach all the German-speaking seeking ones and will nourish them and lead them into the Lord's recovery

2) The annual European young people's conference in Male Ciche, Poland (25-31 July)

This is an annual conference that has been held since 1994 for the young people (ages 13 through 19) in Europe, including Russia. For a number of years young people from the USA have attended. Please pray that the Lord will use this conference to gain many young people for His move in Europe.

3) The spreading of the Lord's testimony to the twelve new cities in the UK—Liverpool, Manchester, Sheffield, Leicester, Coventry, Peterborough, Southend-On-Sea, Southampton, Exeter, Cardiff, Glasgow, and Belfast

Please pray for:

- The gaining of the local people in these cities who have received the ministry through the radio broadcast and the free mass distribution of the ministry publications
- The migration of saints from London to strengthen the Lord's move in these new cities

4) The raising up of the Lord's testimony in Oslo, Norway; Lisbon, Portugal; Krakow, Poland; and other cities in Europe

5) The release of visas for three American saints to continue serving in Greece
